## VANUATU - THE FACTS

Vanuatu is a South Pacific Ocean nation made up of 80 plus island archipelago that stretch 1,300 kilometers.

Multiple waves of colonizers, each speaking a distinct language, migrated to the New Hebrides in the millennia preceding European exploration in the 18th century. This settlement pattern accounts for the complex linguistic diversity found on the archipelago to this day. The British and French, who settled the New Hebrides in the 19th century, agreed in 1906 to an Anglo-French Condominium, which administered the islands until independence in 1980, when the new name of Vanuatu was adopted.

Languages: local languages (more than 100) 63.2%, Bislama (official; creole) 33.7%, English (official) 2%, French (official) 0.6%, other 0.5% (2009 est.).

Religions: Protestant 70% (includes Presbyterian 27.9%, Anglican 15.1%, Seventh Day Adventist 12.5%, Assemblies of God 4.7%, Church of Christ 4.5%, Neil Thomas Ministry 3.1%, and Apostolic 2.2%), Roman Catholic 12.4%, customary beliefs 3.7% (including Jon Frum cargo cult), other 12.6%, none 1.1%, unspecified 0.2% (2009 est.).

Population: 285,784 (April 2016 est.). Population growth rate 1.95%.

Economy: primarily based on small-scale agriculture, which provides a living for about two-thirds of the population. Fishing, offshore financial services, and tourism, with an estimated 111,000 visitors in 2015, are other mainstays of the economy. Australia and New Zealand are the main source of tourists and aid. A small light industry sector caters to the local market. Tax revenues come mainly from import duties.

Since 2002, the government has stepped up efforts to boost tourism through improved air connections, resort development, and cruise ship facilities. Agriculture, especially livestock farming, is a second target for growth.

The islands offer scuba diving at coral reefs, underwater caverns and wrecks such as the WWII-era troopship SS President Coolidge. Hiking trails ascend active volcanoes such as Mt. Yasur. Other popular activities include rainforest ecotours, kayaking and deep-sea fishing, plus relaxing at resorts and spas.

## MAP OF VANUATU

## VANUATU DSP OVERVIEW

In January 2017, the Government of the Republic of Vanuatu launched their Development Support Program (DSP) for the purpose of raising funds to support infrastructure and promoting economic development of Vanuatu.

The DSP was enacted by the Vanuatu Government under the Citizenship Act (CAP 112) with the powers conferred on the Prime Minister by Section 20 of the Citizenship Act (112) Order No.215 of 2016.

Pursuant to the Order, candidates may apply for Vanuatu Honorary Citizenship by contribution of USD 260,000 per application to the Government of Vanuatu.

On August 24, 2017, the Prime Minister of Vanuatu, in the official Gazette, published that he replaced the DSP. From this time, the Honorary Citizenship will be offered for **US \$ 130,000** plus Government and due diligence fees.

The citizenship acquired under the DSP program is fully recognized by the Government of Vanuatu and the nationality is regarded as Ni-Vanuatu. Those applying for and receiving Vanuatu Citizenship under the DSP have the full right to reside in Vanuatu at all times and the passport is renewable upon expiry.

Honorary Citizenship is hereditary.

## TAXATION BENEFITS

Vanuatu has no income tax. None. Nor any estate taxes or capital gains taxes. In fact, other than enforcing a rather lax 12.5% VAT, Vanuatu has few taxes at all.

With such a taxation regime in place for international companies and offshore companies incorporated in the jurisdiction, Vanuatu can rightly be considered as a “Tax Haven” – and one of the most attractive in the World from many perspectives. Vanuatu companies will operate tax free in the tax haven of Vanuatu as long as their earnings are accumulated outside of the tax haven. Vanuatu offshore business companies and international companies are prohibited by the laws of the country from partaking in business dealings or conducting business on behalf of residents of tax haven Vanuatu. Vanuatu is a pure tax haven for the simple fact that the offshore jurisdiction has no income or corporate taxes for both residents and foreigners.

Vanuatu is also well known for having zero corporate tax, it also has no income tax, no capital gains tax, no estate tax, no wealth tax, no withholding tax, no gift tax and no other personal income taxes.

International companies and offshore or exempt companies are very easy to incorporate in the tax haven of Vanuatu. Company legislation allows for the formation of flexible business company structures. Offshore companies legislation in Vanuatu makes it possible for only one director and one shareholder to incorporate a company in tax haven Vanuatu. Directors can be a corporate body or a natural person.

The tax haven of Vanuatu provides excellent offshore banking and banking services to private individuals and corporations. Vanuatu offshore banking centre is very active with numerous banks having received license to provide offshore banking services. Vanuatu has a number of international banks' branches and agents providing services to the public. As a tax haven Vanuatu offshore bank accounts pay no taxes on interests earned.

## OFFSHORE COMPANIES AND BANKING

### Vanuatu Offshore Companies

The Vanuatu International Companies Act is very similar to other international business company (IBC) laws around the world. It was written in 1992 and came into force the same year.

There are a number of features which make Vanuatu an attractive place to form an offshore company. Vanuatu has zero corporate tax, both for international and domestic/resident companies. Companies are also exempt from capital and exchange controls. Accounts must be kept but don't need to be filed, and there are no auditing requirements.

Vanuatu companies are an interesting option for those seeking a high level of privacy and ease of use.

### Offshore Banking in Vanuatu

Bank secrecy has long been a target of international groups opposed to offshore tax havens. The argument goes that if governments don't know who owns the account, they can't effectively tax it.

Despite the fact that things like numbered bank accounts are long gone, groups such as the Tax Justice Network continue their efforts to eliminate privacy around the world. As European nations such as Liechtenstein are rolling back their bank secrecy programs, the most secretive offshore banking countries include Vanuatu rated as at No.2 in the world, based only on the amount of secrecy offered and not taking into consideration the significance of the jurisdiction.

This island chain is well-known to many of the world's monied elite as an offshore banking jurisdiction since its 1971 offshore legislation.

While it's still a tiny player in the offshore market, Vanuatu is among the most secretive. Vanuatu offers no personal or corporate income taxes, no estate or capital gains taxes, no exchange controls, and no reporting requirements. In fact, other than VAT, customs fees, and stamp duties, Vanuatu has no taxes at all.

# LIVING AND HOLIDAYS

## Living

Vanuatu is a beautiful remote, tax-free tropical paradise. It is known not only for its great location and climate, but also as a great place owning and operating a business.

Life on Vanuatu is far from hectic. As anyone who has visited the islands before—in the South Pacific or elsewhere—hectic is one of the last words you would use to describe island life. People in the islands, with Vanuatu being no exception, often prefer to relax and take life as it comes.

As with relocating anywhere, it is important to consider not only your own position and finance, but also the situation and customs of the place to which you will be moving.

Costs of living are relatively low, but as with any other small island nation, Vanuatu relies on imports, which drives up prices a lot on items that cannot be produced locally. The islands have a very accessible system of banks, internet and mobile networks. This makes it very easy to move to Vanuatu, and yet still maintain a good and active connection with other places in the world.

## Holidays

Sugary white sand, clear blue waters and the subtle whisper of palms swaying in the cooling ocean breeze, Vanuatu certainly offers up a fair share of tropical relaxation, though, this South Pacific archipelago isn't just about beach front repose. Whether you're a culture cat seeking an authentic island experience, or an adventurer hoping for a few thrills, Vanuatu ticks all the boxes for a perfect island holiday.

The sandy shores of its capital, Port Vila, beckon to singles, couples and families alike where you can explore colourful handicraft markets, visit the beautiful Mele Cascades, zipline through the treetops or try horse riding along the beach – all within a short distance from a large choice of accommodation.

If adventure is what you seek, head to Espiritu Santo to dive one of the world's best shipwrecks - The SS President Coolidge – enjoy the abundance of colourful marine life in one of many pristine blue holes.

Up the ante at Tanna Island and take a short walk to the rim of Mt Yasur, one of the world's most accessible active volcanoes, for a once-in-a-lifetime experience....or swim in underwater caves. You'll find plenty of choices to full everyday with something exciting.

## BECOMING A VANUATU CITIZEN

The decision to take a second and dual citizenship is the first step towards becoming a Vanuatu Citizen.

Please ensure that you deal directly with an approved Government of Vanuatu VDSP Representative and complete the Official Application Form without any advance payment.
